Our Story...

Crawford Brew Works is a micro-brewery, taproom, and kitchen located in the heart of Bettendorf, Iowa. The taproom occupies 3500-sq. ft. of space on Devils Glen Road, near the intersection of Tanglefoot Lane. We brew your favorite craft beers, seasonal items, and some brews you might never expect. This is a perfect brewery to come grab a pint with friends or family.

HERE ARE SOME FUN FACTS:

• Our brewery opened May 11, 2018 and has proudly served our community since!

• Our main floor offers bar and table seating. Our top floor, The Mezz, includes its own bar and can be rented out for events and includes in-house catering options. Our brewery is kid friendly until 10pm, as long as they are accompanied by an adult. Our patio offers a beautiful view, is dog friendly, and has a fire pit. Hungry after a couple beers? Our kitchen opens daily at 11-am.

• CBW has local ties throughout the taproom. Our brewhouse and fermenters were fabricated by Crawford Co. in Rock Island, IL. Crawford Co. also provided custom welded fabrication for railings, table support structures, the exterior canopy and more! Iowa sourced barn wood has been re-purposed and incorporated into our Main Bar, Tables, and for our Booth seating! The glass feature above? This was produced by Hot Glass in Davenport.

• CBW also supports our community with our Culture of Care Program. This effort supports a different local non-profit each month with donations and guest bartending events!

• The facility also features a lower level production area. CBW is located at the "Bike and Brew" location, along with next door neighbor Healthy Habits Bike Shop. Grab a beer while your bike is being worked on! CBW is a member of the Iowa Brewers Guild and the Brewers Association.
